**November 2019**

## Events

This year we had another great weekend of Ghost Tours! We will very soon start selling Christmas Luminaries! It has been so nice seeing more houses with luminaries on Christmas Eve; it gives a lot of people fond memories of their childhood growing up in Quakertown.

## Richard Moore Marker Dedication

The marker dedication was a great success thanks to all the community support. We had a large crowd, newspapers, online bloggers and news stations attend. There was a fantastic demonstration about quilts during the Underground Railroad at the Richland Library, the African American Museum of Bucks County among the many activities. We received two citations one from Senator Bob Mensch the other from Representative Craig Staats.

## Membership

At this time there are no membership dues for your QHS; we rely on the contributions from our supportive members and from the community at large. Please consider making a donation to your Quakertown Historical Society so that we may continue to serve you and the community with historical information.

## Membership Meeting

Join us on November 14th for our membership meeting including a presentation by Pennsylvania Historical Recovery Services. Learn how they find history on your property for FREE and see hundreds of relics found locally. All are welcome!

## Update on Archives Activity

The Board is currently in the process of going through all of the artifacts in the Society's possession to identify/record the items for future reference. We have set aside monthly sessions as follows: the 2nd Wednesday of the month from 9:00 AM to Noon, with a beginning date of November 13, 2019, and the 3rd Thursday of the month from 6:00 PM to 8:00 PM, with a beginning date of November 21, 2019, at Burgess Foulke House. The work, in all likelihood, will take several months to complete. If you are willing to help, and available on any of the dates, simply come to the Burgess Foulke House on the dates and times listed. Thank you!

## Burgess Foulke House Tours

At this time, there are no set hours that the Burgess Foulke House is open. We have been working hard to make the Burgess Foulke house more available for tours including moving the office to the basement, and have made some maintenance updates. In the future, we hope to have enough volunteers so that we can make the building available on a regular basis to visitors. In the meantime, if you or someone you know would like to schedule a tour, please contact us (267-227-3864) and we will be glad to make special arrangements to accommodate you.
